A LETTER FROM THE PRESIDENT

Welcome to Global University!

All of us here at Global are pleased to learn of your interest in advancing your training. We are delighted that you are seeking to prepare yourself for service in God's harvest field. Our catalog provides information concerning who we are, our mission, history, policies, and procedures, as well as our various plans of study. We trust you will identify a program of study to help you prepare for God's call on your life. Feel free to contact us with any questions you may have.

A unique aspect of our program is the emphasis on applied learning and ministry through our service learning requirement (SLR). This requirement allows learners to move more rapidly from theory to practical application of what they are learning. In other words, learners benefit from the integration of academic rigor with practical application throughout their studies.

Global University is composed of four schools providing a seamless approach to study, ranging in academic level from certificates (initial evangelism and discipleship courses) through graduate degrees. The four schools are School for Evangelism and Discipleship, Berean School of the Bible (offering adult continuing education courses to equip people for church leadership), Undergraduate School of Bible and Theology (offering certificates and diplomas and associate of arts and bachelor of arts degrees), and Graduate School of Theology (offering master of arts, master of divinity, and doctor of ministry degrees). Catalogs for each school are available on our website at www.globaluniversity.edu.

Global University's learners benefit not only from increased knowledge through studying course content but also from spiritual growth and increased discipline. Our instructional design helps them gain skills for a lifetime of learning, service, and ministry. Students and alumni fill positions of ministry as teachers, pastors, and missionaries. Others serve as local, district, and national church leaders. They actively work in both open and sensitive locations, fulfilling God's call on their lives to impact eternity where they are and wherever God leads them.

When studying with Global University, you will not be studying alone. Instead, you will join students studying in literally every time zone of the world. We operate through a worldwide network of more than 230 offices serving 500,000 students. We are committed to equipping people for service in churches, schools, and other ministries. As you study, rest assured our extensive university stands ready to assist you in any way we can.

God bless!

Gary L. Seevers Jr., PhD
President

A LETTER FROM THE PROVOST

Greetings from the International Office of Global University!

I enjoy the rich pleasure of serving as the Chief Academic Officer for the global programs of the university. During my time serving the university, I have come to appreciate both the diversity and the unity that exists within the Global University family. Every context presents unique challenges and brings opportunities to the task of teaching and learning. As I meet our Global students and alumni, I am impressed with their commitment to excellence in ministry in all cultural situations. In these effective ministries and leaders, one sees the intersection of God's call, their commitment, and a Global University education. The results are astounding: people are saved, churches are started, parachurch ministries are established, and bodies are healed. The Lord operates through thousands of men and women who have come through Global University's programs.

Global University allows you to start wherever you are in your own educational journey and pursue a broad range of learning goals. Each of the four schools of Global University provide opportunity for growth as a follower of Christ and as a Christian leader. Do you want foundational instruction as a follower of Christ and a Christian leader in training? The School for Evangelism and Discipleship's Christian Life and Christian Service series of courses would benefit you. Do you want to study Scripture for a ministerial career, a lay leadership role in your church, or your own spiritual enrichment? The Berean School of the Bible's adult continuing education courses and programs will serve you well. Do you want an accredited undergraduate certificate, diploma, associate of arts degree, or bachelor of arts degree? Check out the programs offered by the Undergraduate School of Bible and Theology. Are you prepared for advanced studies? The Graduate School of Theology offers master of arts degrees, a master of divinity degree, and a doctor of ministry degree. Global is one university with four schools, so you will have a wide range of options from which to choose. Whichever program you select, you can be sure it will integrate faith and learning from a Pentecostal, evangelical perspective.

Our name—Global University—accurately describes us as a worldwide distance-learning school. Our regional accreditation with the Higher Learning Commission assures you of a quality education. As you enter studies with Global University, you join a student body in every time zone and nearly every country of the world. You can study where and when you want at extremely affordable costs. You will have access to faculty through a variety of means, and our online library resources provide the opportunity to investigate a subject as deeply as you wish.

Welcome to the Global University community. We are students, faculty, staff, and administrators who are all involved in "impacting eternity by winning the lost and training the found—everywhere."

May God's favor be with you,

David L. De Garmo, DMin
Provost

A LETTER FROM THE DEAN

Following God's leading is the most exciting adventure in our lives. Whether He is calling you to serve as a credentialed minister, a lay leader, or a volunteer in your local church, a surrendered life in His hands allows light to invade darkness, advancing the kingdom of God.

Whatever your unique ministry calling is, preparation is essential, and responsible servants take the time to prepare. Berean School of the Bible will equip you for service through an educational program that is convenient, applicable, and accessible to your life's schedule.

The Berean program is convenient for students studying individually and for students studying in groups at a local church. Distance learning allows you to study at your own pace without residential classroom attendance. For students who prefer to study with others, many local churches have established Berean study groups. If your local area does not have a study group, we can tell you how your church can begin one. We even offer Instructional Facilitator Manuals (IFMs) to make it more convenient for local churches to facilitate Berean courses.

We understand that ministry may be happening in your life now, so we designed a Berean program applicable to your ministerial context. The concepts and principles you learn from our curriculum will equip you with practical knowledge of the Bible, theology, and ministry. For instance, our service learning requirement component is an opportunity to immediately put what you are learning into action.

You can also access our courses in several different formats. If you enjoy a hard-copy book in your hands, you can order a printed copy of our courses. Or, in the midst of a full work week, you may need your courses on the go. In that case, download our digital courses with the necessary files for your e-reader devices. You can also study online; log in to the Student Portal and access your courses 24 / 7.

We are here to partner with you so that you will be equipped and empowered to do what God has placed on your heart.

In His service,

Steven D. Handy
Dean, Berean School of the Bible

GENERAL INFORMATION

Global University (GU) utilizes tools of educational technology to expand the resources of the church. GU courses are applicable for distance-learning instruction, classrooms, learning groups, and individual study. Courses are developed with the help of qualified writers from many nations and distributed around the world in many languages. This contributes to fulfilling GU's motto: "Impacting eternity by winning the lost and training the found—everywhere!"

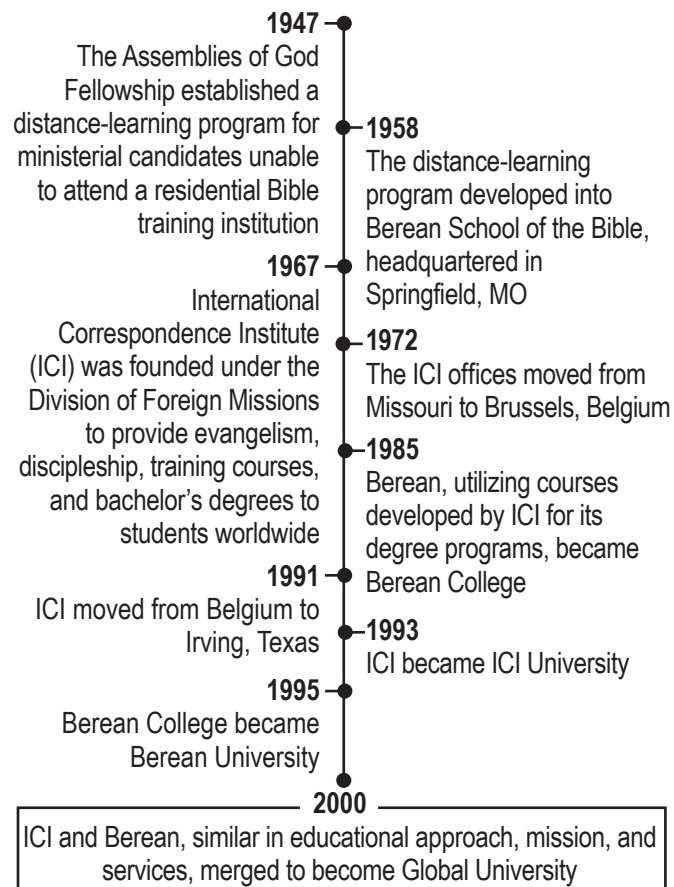

Mission

Global University is a Christian university in the Pentecostal tradition that:

- integrates education and service through a worldwide network for student support.
- provides access to ministerial training from adult continuing education to the graduate level.
- produces curricular materials in multiple languages.
- serves the local church and Christian community through evangelism, discipleship, and leadership training via nonresidential distributed learning methods.

History

Global University has a distinguished heritage spanning seven decades and encompassing the achievements of two distance-learning institutions: ICI and Berean University.

Global University now has four schools: (1) School for Evangelism and Discipleship, (2) Berean School of the Bible, (3) Undergraduate School of Bible and Theology, and (4) Graduate School of Theology. Students worldwide enroll in all levels of study. Global University works with Assemblies of God World Missions, US Missions, and other divisions of the General Council.

Doctrinal Statement

The doctrinal position of Global University is expressed in the following statement of faith. We believe:

- the Bible is the inspired and only infallible and authoritative written Word of God (2 Timothy 3:16).
- there is only one true God, revealed in three persons: Father, Son, and Holy Spirit (commonly known as the Trinity) (Deuteronomy 6:4; Matthew 28:19).
- in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal, future return to this earth in power and glory to rule a thousand years (John 1:1).
- in the Blessed Hope—when Jesus raptures His Church prior to His return to earth (the second coming). At this future moment in time all believers who have died will rise from their graves and will meet the Lord in the air, and Christians who are alive will be caught up with them, to be with the Lord forever (Titus 2:13; 1 Thessalonians 4:17).
- every person can have restored fellowship with God through salvation (trusting Christ, through faith and repentance, to be our personal Savior) (John 14:6).
- regeneration by the Holy Spirit is absolutely essential for personal salvation (Titus 3:5).
- in water baptism by immersion and Holy Communion (Matthew 28:19).
- divine healing of the sick is a privilege for Christians today and is provided for in Christ's atonement (His sacrificial death on the cross for our sins) (1 Peter 2:24).
- the baptism in the Holy Spirit is a special experience following salvation that empowers believers for witnessing and effective service, just as it did in New Testament times (Acts 2:4).
- sanctification initially occurs at salvation and is not only a declaration that a believer is holy, but also a progressive lifelong process of separating from evil as believers continually draw closer to God and become more Christlike (Galatians 5:16–25).
- in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation (Revelation 20:11–15).

- in the church, which is the body of Christ, and its mission to be the agency of God to evangelize the world, worship God, build the body of Christ, and demonstrate God's love and compassion (Mark 16:15–16; 1 Corinthians 12:13; 1 Corinthians 14:2–3; Psalm 112:9).
- in a divinely called and scripturally ordained ministry for the fourfold mission of leading the church: reaching, planting, training, and serving.

Academic Affairs Committee

The Academic Affairs Committee (AAC) is composed of the provost, the vice provosts, the executive vice president, the vice president for International Network Services, the deans of the schools, and other key leaders in the Academic Affairs Division.

The AAC serves as the chief academic policy-making body of the university; as such, it constitutes the final locus of dialogue in the formation of policies, procedures, and guidelines that relate to the Academic Affairs Division.

Regional Coordinators and Network Representatives

Global University operates worldwide through a network of regional offices that assist network offices. Regional coordinators and Network representatives promote, supervise, and coordinate the work of the university within designated areas assigned by the Global University Board of Administration. They, along with the network office staff, encourage students to pursue and achieve academic excellence.

The Global University Board of Administration and the regional coordinators form the Global Leadership Council. This

council, with the assistance of the International Office staff, meets biennially to review past achievements and develop procedures, goals, and strategies to promote continued improvement and growth.

University Faculty

Individuals who serve Global University as faculty are included in the following two categories:

Resident Faculty

Global University resident faculty are those academically qualified individuals serving at the International Office whose activities consist primarily of writing, developing, and facilitating courses.

Adjunct Faculty

Adjunct faculty are academically qualified individuals throughout the Global University network who periodically write, facilitate, and evaluate Global University courses in field settings or serve as tutors for students studying independently with the university. Many hold doctorates in their fields, and all hold at least a master's degree. Those who serve as faculty for the Graduate School of Theology hold an earned doctoral or other terminal degree.

UNIVERSITY STANDARDS

Basic Standards of Academic Integrity

Registration at Global University requires adherence to the university's standards of academic integrity. Many of these standards may be intuitively understood and are not listed exhaustively; the following examples represent some basic types of behavior that are unacceptable:

1. Cheating: (a) using unauthorized notes, aids, or information when taking an examination; (b) submitting work done by someone else as your own; (c) copying or paraphrasing someone else's work and submitting it as your own.
2. Plagiarizing: submitting someone else's work, claiming it as your own, or neglecting to give appropriate documentation when using any kind of reference material. Plagiarism, whether purposeful or unintentional, includes copying or paraphrasing materials from a study guide, textbook, or any other published or unpublished source. Words, thoughts, or ideas taken from any source must be properly documented according to the school's particular *Global University Form and Style Guide*.
3. Fabricating: falsifying or inventing any information, data, or citation.
4. Obtaining an unfair advantage: (a) stealing, reproducing, circulating, or otherwise gaining access to examination materials prior to the time authorized by the instructor or examination supervisor; (b) unauthorized collaboration on an academic assignment; (c) retaining, possessing, using, or circulating previously given examination materials where those materials clearly indicate they are to be returned to the examination supervisor or to the Global University offices at the conclusion of the examination.

Disciplinary action for not maintaining standards of academic integrity range from lowering a grade for a paper to dismissal from the program, depending on the severity of the offense.

Code of Conduct

Global University is a Christian educational institution aiming to equip students to fulfill God's calling on their lives. Christian conduct is expected. While Global University reaches many cultures around the world, it is understood that some practices acceptable in one culture may not be acceptable in another.

As Christians we look to the Scripture to guide our conduct. Students are expected to conduct themselves according to biblical principles of behavior. Examples of such principles are found in Romans 12:9–21; Galatians 5:22–23; and Ephesians 4:1–3, 25–32. The Code of Conduct also applies to verbal and written communication with Global University representatives, faculty, staff, and students. Furthermore, it extends to all electronic communication, including threaded discussions and email with faculty and students.

Violation of the Code of Conduct may result in disciplinary action, including dismissal from the program. Global University also wants each student to be aware of our Statement on Marriage, Human Sexuality, and Gender Identity that can be viewed at <https://globaluniversity.edu/university-standards/>.

Disability and Academic Accommodations

Global University is committed to the provision of reasonable accommodations for students with disabilities, as defined in the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, and state and local requirements. Students who qualify for accommodations are required to submit appropriate documentation with the Student Success Center. Your request will be considered if it:

- Is based on documentation that meets GU guidelines.
- Does not compromise essential requirements of your course or program.
- Does not impose financial or administrative burden upon GU beyond that which is deemed reasonable.

Submit your request to success@globaluniversity.edu. The Academic Success team will follow up with you to gather all required documentation. The university's director for the Student Success Center and the dean of the school will review the submitted documentation. You will be notified via email if your request is granted or denied within 30 days of receipt of all required documentation. If you are denied services, you may file an appeal within 30 days of the decision.

Due Process of Student Rights

In all cases involving academic dishonesty, the student charged or suspected shall, at a minimum, be accorded the following rights:

1. Prompt investigation of all charges of academic dishonesty, to be conducted, insofar as possible, in a manner that prevents public disclosure of the student's identity. Such investigation may include informal review and discussion with an official of the school prior to bringing a charge, provided that such review does not compromise the rights of the student in the formal process.
2. Reasonable written notice of the facts and evidence underlying the charge of academic dishonesty and of the principle(s) of academic integrity said to have been violated.
3. Reasonable written notice of the procedure by which the accuracy of the charge will be determined.
4. Reasonable time, if requested, within which to prepare a response to the charge.
5. A hearing or meeting at which the student involved may be heard and the accuracy of the charge determined by a neutral decision maker.

6. Review of an adverse initial determination, if requested, by an appeals committee to whom the student has access in person. Generally, implementation of sanctions will be suspended until all appeals made by the student have been exhausted.
7. Final review of an unsuccessful appeal, if requested, by the president or an advisory committee designated by the president.

Policy for Filing Student Complaints

Global University assures the public that its philosophy is to be responsive to any student complaint. Historically, any complaints received have been resolved to the student's satisfaction. A student seeking to file a complaint or grievance should follow the steps outlined under "Tracking and Addressing Student Complaints." Global University will do everything possible to resolve the complaint expeditiously. If the student wants to contact higher authorities, he or she may do so at the state and accrediting agency levels, as described below.

The Missouri Department of Higher Education (MDHE) serves as a clearinghouse for postsecondary student complaints. The MDHE complaint policy contains information and instructions for filing a formal complaint. The policy provides that a student seeking to file a complaint with the department must first exhaust all formal and informal avenues provided by the institution to resolve disputes. The MDHE complaint policy can be accessed at <http://dhe.mo.gov/documents/POLICYONCOMPLAINTRESOLUTION.pdf>.

Global University's regional accrediting agency, the Higher Learning Commission (HLC), can also receive student complaints. Information is available at: <https://www.hlcommission.org/Student-Resources/complaints.html>.

The HLC expects complaints and grievances to be first resolved at the institution level. Complaints should only be directed to the HLC if they are deemed to affect an institution's accreditation.

Global University has been approved as a participating institution in the National Council for State Authorization Reciprocity Agreements (NC-SARA). If, after following the sequence referred to above, a complaint is not resolved to the student's satisfaction, and if the state in which they live is a SARA member state (go to www.NC-SARA.org, click on "states"), they may appeal to the portal agency of their state (see <http://nc-sara.org/content/state-portal-agency-contacts>). The SARA complaint process can be found in the SARA Policies and Standards at <https://nc-sara.org/student-complaints-process>.

Tracking and Addressing Student Complaints

Global University takes complaints and grievances seriously. The Student Services Department of GU's Academic Affairs

Office maintains and monitors a complaint or grievance file. Complaints received usually concern two categories: (1) course content, or (2) the course delivery and support system.

- Complaints relating to course content are referred to the University Materials Development (UMD) Department and to the course professor. A student representative will contact the student with an answer to the student's question(s) or a solution to the student's problem.
- Complaints regarding the delivery and support system are referred to the Student Services Department. A student representative will contact the student to resolve the difficulty. In some cases, this prompts the creation of new policies or procedures to improve the delivery system.

In more difficult or complex situations, especially those problems spanning more than one department, the complaint is referred to the provost. As necessary, the Academic Affairs Committee will also become involved to resolve student complaints in a timely and satisfactory manner.

A student can file a grievance with Global University by choosing any one of the following contacts:

1. A student may contact a Global University faculty member or network office staff member by email, phone, fax, post/mail, or in person. Often, problems are easily resolved at this level.
2. A student may contact the Student Services Department of Global University by email, phone, fax, post/mail, or in person. Student Services personnel are trained to resolve student concerns.
3. A student may contact any administrator of Global University by email, phone, fax, post/mail, or in person. In these cases, the matter typically requires a period of investigation in order to be resolved.

Once a concern, complaint, or grievance is received, every effort will be made to resolve the issue quickly. Should a student not be satisfied with the resolution, they may appeal the decision to the International Office of Global University, directly to the Provost's Office. Should a student not be satisfied with the resolution, the student can contact the Provost's Office and request that the issue be addressed by the Global University Academic Affairs Committee. A decision by the Academic Affairs Committee will be deemed final.

Notification of Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. These rights include:

1. The right to inspect and review education records within 45 days of the day Global University receives a request for access. Students should submit to the registrar a written request that identifies the record(s) they wish to inspect. The registrar will make arrangements for access and

notify students of the time and place the records may be inspected. In place of inspecting the record(s), students may request that records be copied and mailed to them. In this case, students will pay postage and a copy fee of 15 cents (USD) per page.

2. The right to request the amendment of education records students believe are inaccurate or misleading. Students may ask the university to amend a record they believe is inaccurate or misleading. They must write to the registrar, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested, the university will notify students of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to students when they are notified of the right to a hearing.
3. The right to request in writing that certain directory information only be disclosed with the student's written consent. Unless otherwise requested, directory information such as the student's name, mailing address, dates of attendance, enrollment status, graduation status, and other institutions attended may be released without written consent. Non-directory information such as student ID

number, Social Security number, date of birth, email address, phone number, and grades may only be released with the student's written consent except where FERPA authorizes disclosure without consent. Exceptions include disclosure to federal, state, and local authorities as well as school officials with legitimate educational interest. A school official is a person employed by the university in an administrative, supervisory, academic, research, or support staff position; a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill their professional responsibility.

The student has the right to file a complaint with the US Department of Education concerning alleged failures by GU to comply with the requirements of FERPA. INSTRUCTIONAL TECHNOLOGY AND RESOURCES

Learning with Technology

Global University prioritizes accessibility for all students, regardless of their available technological resources, and therefore offers courses both in print and via the internet and other electronic media. Students with technology and internet access may submit assignments electronically and take proctored exams online. Many courses are available for PDF download. Students without access to technology may acquire printed materials containing everything needed to complete their courses. Self-paced, independent learners may collaborate with other students using GU's online learning tools and social media.

For further information about the use of technology with GU courses and their availability in electronic format, visit Global University online at www.globaluniversity.edu.

Library Resources

The Global University Library, located at the International Office in Springfield, Missouri, holds resources that support the curriculum of GU programs and may be utilized for general research. It offers more than 25,000 physical volumes, including books, reference materials, periodicals, maps, microfiche, audio and video materials, and vertical files.

For undergraduate and graduate students, CREDO Reference, Academic Search Elite, and American Theological Library Association (ATLA) databases, which provide access to thousands of e-books, peer-reviewed journals, and general reference resources, are available via the Library website at <https://libguides.globaluniversity.edu/librarymain/>.

Due to lack of research requirements, Berean School of the Bible students cannot access proprietary databases. However, thousands of freely available resources are available through the Library website.

Students may also direct research questions to a reference librarian using the "Ask-A-Librarian" feature. Global University is continually expanding its online information services to support and enhance the distance learning experience.

FINANCIAL INFORMATION

Global University is a not-for-profit institution. Students are charged only what is necessary to provide appropriate educational services for distance learning. Due to changing economic conditions, GU reserves the right to revise charges but makes every effort to keep costs as low as possible.

Students enrolling in Berean School of the Bible courses for the first time must pay a one-time application fee. Course tuition and materials prices are listed on the Berean School of the Bible order form. Adult continuing education course tuition includes all student services such as grading of examinations and service learning requirement reports, responses to student inquiries regarding course content, and maintenance of student transcripts.

Miscellaneous fees that may be incurred in addition to the costs described above include the program completion fee, diploma replacement fee, exam retake fee, and expediting fee.

SERVICES, POLICIES, AND PROGRAMS

Academic Counseling

While Berean School of the Bible strives to provide as much assistance as possible in the planning of educational programs, students are responsible for the completion of all required coursework. BSB personnel may advise and assist students in establishing educational goals and planning a proper sequence of courses. However, it is the interest and self-discipline of students that will determine success in meeting those goals.

Student Status

Students may have as much time as they need to complete Berean School of the Bible programs. However, if there is no activity (enrollment or completion) on a student's record for 18 months, the student is moved to inactive status. If the student chooses to resume studies at a later date, he or she may find that some program requirements have changed and additional coursework may be required.

Time Limit for Completing a Course

Global University Berean School of the Bible courses must be completed within six (6) months from the date the order is processed by Global University. Students are expected to complete their studies within this prescribed length of time.

Examinations

Mastery of a course is determined by the successful completion of examinations. Successful completion means the student has earned at least 70 percent of the points available for the course. Chapter review tests (called "Test Yourself") and unit progress evaluations (usually located in the back of the IST) should be completed before proceeding through the remainder of the course. These self-graded evaluations are designed to help the student assess his or her mastery of the course. Answer keys for the chapter tests and unit progress evaluations are usually located in the back of the IST. (In the previous curriculum, a mid-course evaluation and answer key were included in each course Study Guide. Seven of these courses are still being studied and serviced.)

A final examination is required for every course. Examinations are to be taken closed-book (without the use of books, Bibles, notes, or other materials). If a student fails an examination, he or she is allowed one retake and is charged a retake fee. An alternate exam will be administered for the retake. The score received on the retake examination, whether higher or lower than the original exam score, is the final score. If a student fails the retake exam, he or she must re-enroll in the course by paying the current tuition fee and then pass the final examination in order to receive credit for the course.

All Berean School of the Bible ministerial examinations are offered online, which allows students to receive their final exam grade immediately after completion. Visit www.globaluniversity.edu for more information.

Berean School of the Bible Grading System

Courses are graded based on the following scale:

90–100%	A	4.0	Superior
80–89%	B	3.0	Good
70–79%	C	2.0	Satisfactory
0–69%	F	0.0	Fail

Recommended Reading

A supplementary reading text is recommended for each Berean School of the Bible course. These texts are not required, but students are strongly encouraged to acquire and read them as part of completing each course. Recommended reading texts can be purchased through Global University.

Service Learning Requirements

Most Berean courses require a service learning requirement (SLR) assignment. (Older courses do not have SLRs.) This is an opportunity for the student to practice in ministry the concepts being learned. The report form must be submitted to Global University. A grade for the course will not be assigned until the student has satisfactorily completed this assignment.

Transcripts

A transcript of coursework completed through Berean School of the Bible is available upon request and/or authorization of the student. Transcripts may be faxed, mailed, or emailed. Students may view and print their Student Subject list via the student portal, accessible through the GU website. A transcript of BSB adult continuing education coursework completed through Global University is available upon request. Transcripts will only be mailed or emailed with the student's signed consent.

Global University has partnered with the transcript service, Parchment, to issue all official transcripts. Official transcripts are imprinted with the Global University seal and issued only by the Registrar's Office in Springfield, Missouri. Transcripts can be ordered online at <https://globaluniversity.edu/alumni/transcript-request/>.

For those students who are unable to order online, a Transcript Request Form is available upon request. Students may send requests for this form to the following:

Mail: Global University – Registrar's Office
1211 South Glenstone Avenue
Springfield, MO 65804-0315 USA

Email: transcripts@globaluniversity.edu

More information regarding the ordering of official transcripts can be found on our website at www.globaluniversity.edu.

Transfer of Credit

Applicable coursework done at other Bible colleges of recognized standing may be transferred. Courses considered for transfer must be compatible with Berean School of the Bible courses.

Students should request official transcripts from all institutions they would like evaluated. A transcript is official when it is sent from the original institution directly to Global University in a sealed envelope. Global also accepts transcripts sent electronically from a valid electronic transcript service such as Parchment, JST, or National Student Clearinghouse. All transcripts and other pertinent documents should be on hand at the time of application. Students who plan to take courses from another school to transfer back to finish a BSB program of study must request that an official transcript be sent to Global University BEFORE completing their last BSB course. Transcripts may be submitted in either English or Spanish. Transcripts that are issued in other languages must be accompanied by an official English-language translation.

No more than 50 percent of the courses required for a diploma or any credential level may be transferred into a student's program. Transfer credit is granted only for courses in which a grade of "C" or better (2.0 on a 4.0 scale) has been earned. Courses in which a grade of "pass" is received must be certified by the school as being equivalent to Berean School of the Bible's standard for a "C" or higher to be accepted in transfer. In all cases, Berean School of the Bible reserves the right to determine whether it will accept transfer credits from another academic institutions.

Student Inquiries and Comments

Students may submit questions at any time during their coursework. Questions will be answered by a full-time faculty member of Berean School of the Bible. Students may email comments or questions to bsbcontent@globaluniversity.edu.

Programs Offered

Berean School of the Bible offers adult continuing education programs leading to diplomas and certificates. Diplomas are offered in (1) Ministerial Studies, (2) Ministerial Studies with Leadership Honors, (3) Bible and Doctrine*, (4) Royal Rangers Organizational Leaders**, and (5) Momentum Training**. Certificates are offered for (1) Ministerial Studies Level One, (2) Ministerial Studies Level Two, (3) Ministerial Studies Level Three, and (4) Church Volunteer Service.

*Graduates who previously earned a Ministerial Studies diploma are not eligible to enroll in the Bible and Doctrine diploma program.

**Applicants must meet the USA Assemblies of God National Office eligibility requirements to be admitted to these diploma programs.

Study Groups

Global University provides the opportunity to bring the benefits of group study to students in the local church or district setting. Local churches may register as a Berean study group. District council offices may partner with Berean to offer a District School of Ministry. When the biblical content and practical training in the course materials are combined with the experience and dedication of local leaders, the student receives the benefits of the classroom plus systematic and practical instruction in Berean courses. Students studying in the local church also have the opportunity to immediately apply the concepts they are learning as they minister in their churches and communities.

A study group is not an extension site where students are taught by a professor provided by the home campus. It is a group of students who enroll in a course together and are guided through that course by a local facilitator.

Students who desire to study in a group setting are encouraged to consult with local church leaders about starting a Berean study group in their church.

Pastors interested in learning more about church-based study groups may contact Global University's Director of Study Groups or visit the "Study Group" page on the GU website at www.globaluniversity.edu.

Instructional Facilitator's Manuals

Instructional Facilitator's Manuals (IFMs) are available for many Berean School of the Bible courses. These manuals include lesson plans, discussion questions, and teaching aids to assist students who study in groups. Contact the GU Student Services office for further information.

PROGRAM REQUIREMENTS

Global University's Berean School of the Bible provides Bible and ministry education and training at an adult continuing education academic level. Berean courses do not earn college credit. However, courses may transfer as credit into a Global University undergraduate degree program under strict guidelines. The student should contact Global University to determine if his or her completed Berean courses are eligible for transfer as college credit. At least 50 percent of a student's coursework must be completed through Berean School of the Bible in order to earn a BSB certificate or diploma.

Diploma and Certificate Programs

The diploma and certificate programs are intended to prepare students for various levels of ministry, including both credentialed and lay ministry roles in the church.

The overarching goals for these programs include demonstrated achievement at the adult continuing education level in the following areas. After successfully completing a Berean program, the student will be able to:

- Demonstrate basic proficiency in Bible study methodology, especially as this discipline contributes to sermon preparation.
- Demonstrate a practical knowledge of the organization and basic content of the Old and New Testaments.
- Demonstrate a thorough knowledge of the theological principles and doctrines that serve as a foundation of Pentecostal Christian faith.
- Apply relevant fundamental biblical and theological principles in local ministry contexts. These principles include management of interpersonal conflicts, a standard of exemplary ethical conduct, and the servant-oriented use of spiritual authority.
- Demonstrate fundamental proficiency in a variety of pastoral leadership functions, including ecclesial responsibilities, preaching, administration, and chairing meetings.
- Continue the appreciation and practice of lifelong learning.

Students who progress through the levels of the program will show increased ability in these areas. The strategies used to assess the achievement of these goals include end-of-course examinations, service learning requirement ministry reports, credentialing examinations with the parent denominational organization, and graduate follow-up survey results.

Ministerial Studies Program

One of the primary purposes of Global University's Berean School of the Bible is to provide training for ministerial candidates who are unable to attend a residential Bible college. Ministerial training is also available through Global University's Undergraduate School of Bible and Theology

for degree credit. The Berean School of the Bible Ministerial Studies Diploma is available in Spanish. For more information, request a copy of our Spanish catalog. Students must complete at least 50 percent of their courses in the same language in which their diploma or certificate will be issued.

If you are preparing for ministerial credentials with the Assemblies of God, contact your district office. Your district may have specific requirements that differ from the requirements listed here. Ministerial credentials are issued by the General Council Credentials Committee upon recommendation of the appropriate district, **not** by Global University.

Action by the General Presbytery of the Assemblies of God has periodically changed course requirements for the Ministerial Studies Diploma. Students who began a program level under earlier requirements may be allowed to complete that level before moving to the current program requirements. Please contact Global University with questions related to completing earlier program requirements.

If you live in the USA but are not affiliated with the Assemblies of God, you may elect to substitute THE 411 *The Church: Pentecost to the Reformation* for THE 142 *The Assemblies of God History, Missions, and Governance*. All other diploma program courses are required. If you live outside the USA, contact the national church in your country to determine what courses might be used to meet training requirements. Completion of the Ministerial Studies Diploma as described here does not guarantee you will meet specific requirements in your country. Neither does meeting these requirements qualify you for ministerial credentials in the USA if you do not live in the USA.

Ministerial Studies Diploma

Upon completion of the Ministerial Studies Diploma (including all three levels of study), the student will have met the minimum academic requirements to apply for the ordination process with the General Council of the Assemblies of God USA. Ministerial credentials are issued by the General Council upon the recommendation of the appropriate district, **not** by Global University. Successful completion of the Ministerial Studies Program (or any individual level) should prepare the student for credentialing interviews and tests. The student will have mastered basic Bible content (Old and New Testaments), theological principles, and practical ministry skills for service in a church leadership position. Global University recommends that ministerial students contact their Assemblies of God district office to inquire about the credentialing requirements and process.

Level One (Certified)

Upon completion of the Level One Ministerial Certificate, a student should have met the academic requirements to apply for certified minister status in the General Council of the Assemblies of God USA. This includes a working knowledge of Bible study methods, New Testament content, and Pentecostal doctrine. He or she should also possess the basic skills needed to begin serving in a ministerial role in the local church.

COURSE DESCRIPTIONS

Explanation of Course Numbering

Course descriptions are grouped into four divisions:

BIB = Bible

THE = Theology / History

MIN = Ministry / Practical Theology

CAP = Capstone Projects

Continuing Education Units (CEUs)

Continuing education units are a nationally recognized standard used by the educational community to measure participation in learning activities. Global University has followed acceptable guidelines in determining the number of units that can be earned by the completion of each course. The relative significance and approximate amount of time required to complete each course are indicated by the number of units; these units cannot be equated with college credits.

Course Materials

Materials required: When you enroll in a course in the ministerial sequence, you will receive an Independent-Study Textbook (IST), a comprehensive book that serves as teacher, textbook, and study guide. The last section of the printed IST is the Essential Course Materials (ECM) containing unit progress evaluations (UPEs), answer keys, the service learning requirement (SLR), and other instructional aids.

Nine courses not in the ministerial sequence do not have ISTs, ECMs, UPEs, or SLRs. Instead, a Study Guide (SG) and a separate textbook are the required study materials. In the middle of these SGs is a midcourse evaluation, a self-graded test to check your progress in the course. The Study Guide

provides additional teaching, reading assignments, and study questions as it leads you through the textbook.

The Holy Bible is a primary textbook, along with the listed text, for all courses.

Materials recommended: Global University and the Assemblies of God executive leadership strongly recommend students acquire and read the recommended textbooks for each ministerial sequence course. Not only will this reading enhance learning in the subject, but these books will also provide valuable resources in later ministry.

The Instructional Facilitator's Manuals (IFMs) listed with some courses are described in the catalog section titled "Services, Policies, and Programs."

Berean courses are available in various delivery formats. Most of the courses are available in digital format online, in various electronic formats, and in a digital library system package (through Logos Bible Software). If you choose to study using the Logos-based learning package, you will receive an entire library of Bibles and reference titles for your computer. Course materials are designed to interact with this library to add an enhanced dimension to your study. See our order form for pricing on digital resources. The following letters following each course title identify available formats for that course:
